		Stepped	\$837

- Maximum taper accuracy by using constantly controlled and calibrated measuring equipment
- Absolute accuracy of fit and optimum radial and axial run-out
- Extreme load-bearing capacity, thanks to our use of tempered material and the best heat treating processes
- Optimum surface quality and long-term dimensional stability and precision, as well as spindle protection, thanks to our finishing processes

We offer adapters for all major brands, to include adapters for dressing, presetting, and balancing. But given their popularity and long lead time we strongly encourage you to order in advance!
