No wait. No worries. You will *LOVE* these wheels!

- **High stock removal rates at high feed rates.** Our Toolgal iQ diamond wheels are comparable to Norton G-Force and other world-class grinding wheels.
- **Excellent edge quality and durability,** so you can maintain tight tolerances
- **Outstanding surface finishes**
- **Predictable performance,** so you can repeat the feeds and speeds you liked with previous Toolgal wheels without worry
- **Great bang for the buck.** Great prices. Dollar for dollar, they'll perform better than any other wheels.
