

**High quality...Great prices...
Fast service!**

Looking for better tooling solutions?

WALTER steadyrest bushings

- **OEM quality & compatibility:** H6 tolerance on the diameter, relieved edges, Rockwell 50-55 tool steel
- **Drill & endmill styles** in three standard lengths (30, 40, & 50 mm)
- **One week delivery...for any diameter!**

Loader pallets

- **OEM quality & compatibility:** Rollomatic, Reinecker, WALTER robot loader, WALTER production loader, & WALTER Helitronic Vision "forklift" loader
- **Economical:** Our "two-tier" approach to the Rollo pallets saves you big without sacrificing function
- **Easier setup:** We use the same "first hole" position for all diameters, making it easy to change setups
- **Fast delivery**
